

Fun, safe, educational, and entertaining is how most visitors describe the experience offered at

Wild Things. Enjoy a 1 hr. walking tour of an exotic/wild animal facility dedicated to providing professionally and humanely trained animals for film, television, education and much more.

Located on the **Vision Quest Ranch**, Wild Things is home to over 100 birds, animals and reptiles from around the world, some of which have become "animal stars" in the film industry today. You'll get closer to the animals than you ever imagined.

Learn about our Safari B&B, our Full Contact Private Tours, and about Elephants of Africa Rescue Society ~E.A.R.S., our non-profit elephant sanctuary located on the ranch.

Tours are at 1PM daily (including weekends)

June-August, there is an additional tour at 3PM. (No reservations needed, just show up)

\$10 for adults, \$8.00 for children any age 14 years and under.
